Must have Helicopter landing access on roof for supply warehouse. Safe and secure supply warehouse in times of emergencies.
Encouraged to keep larger supplies in warehouse. Not taxed on inventory in supply warehouses, only on the showroom floors and sales areas.

Weather monitoring equipment on rooftop, for NOAA and Weather Stations. Websites would have live fishing reports and weather. Local weather stations would say, “Your local weather report is brought to you today by .....” download their app today for all of your live local weather updates and fishing forecast.

Donates Free Socks, Underwear, Jackets, and Shoes to those in need.

Host monthly Gear Swap meetings

Food areas should smell like food
